Weekapaug Chapel 2020 Theater Camp

The focus of our camp is to develop self-confidence and performance skills, as well as to have fun and promote camaraderie in a positive environment. The children audition on the first day of camp and receive their roles the following day. Each evening our actors meet at the Weekapaug Chapel, with our staff to learn their lines and songs, as well as engaging in theater activities. On the last day of camp, we will stage a full Broadway-style show for the entire community with singing, dancing, costumes, music, and lights.

We are thrilled to welcome back Beth Clarke Bromley for her second year with us. Bethany is a graduate of the University of Rhode Island. She earned degrees in Music Education and Music History with a concentration in voice. She currently teaches Middle School music at the Pine Point School in Stonington, CT, conducts professionally, and has a private vocal studio. She has been the musical director for several middle school and high school programs in Connecticut and Rhode Island. Her favorite show to direct thus far has been "Lion King jr." She has no greater joy than when she is performing or working in the theater.
